GRADING OF WALKS

Most of the Derbyshire Dales walks fall into one of the following four grades. These have been modified to bring them more in line with national grades.

XL – Extra Leisurely

Walks over uneven ground requiring sturdy footwear. Distances will generally not exceed 4 miles or 7 kms and will be taken at a gentle pace.

L – Leisurely

Walks for people with at least a little country walking experience. May include unsurfaced rural paths. Walking boots and warm, waterproof clothing are recommended.

M – Moderate

Walks for people with country walking experience and a reasonable level of fitness. May include some steep paths and open country and may be at a brisk pace. Walking boots and warm, waterproof clothing are essential.

S – Strenuous

Walks for experienced country walkers with an above average level of fitness. May include hills and rough country and may be at a brisk pace. Walking boots and warm, waterproof clothing are essential.

Additional advice - Walk gradings are provided as a general guide only. If you have any doubts contact the leader in advance.

Bear in mind the distance of the walk and the possibility of bad weather which can make a walk more difficult than planned.

Leaders may refuse to accept participants who in their opinion are inadequately equipped or unfit.
