## **WALKING ETIQUETTE**

Please respect your walk leaders. They have the responsibility that no-one gets lost or left behind, along with the group's general welfare and safety. So, don't go rushing ahead of the leader / main group and getting out of sight of the leader. You should be able to see the person in front of you and behind you at all times. If, towards the end of a walk you need to branch off or rush back to your car, please tell the walk leader of your intentions.

Chairman

## **GRADING OF WALKS**

Most of the Derbyshire Dales walks fall into one of the following four grades. These have been modified to bring them more in line with national grades.

### **XL – Extra Leisurely**

Walks over uneven ground requiring sturdy footwear. Distances will generally not exceed 4 miles or 7 kms and will be taken at a gentle pace.

### **L – Leisurely**

Walks for people with at least a little country walking experience. May include unsurfaced rural paths. Walking boots and warm, waterproof clothing are recommended.

### **M – Moderate**

Walks for people with country walking experience and a reasonable level of fitness. May include some steep paths and open country and may be at a brisk pace. Walking boots and warm, waterproof clothing are essential.

### **S – Strenuous**

Walks for experienced country walkers with an above average level of fitness. May include hills and rough country and may be at a brisk pace. Walking boots and warm, waterproof clothing are essential.

**Additional advice** - Walk gradings are provided as a general guide only. If you have any doubts contact the leader in advance.

Bear in mind the distance of the walk and the possibility of bad weather which can make a walk more difficult than planned.

Leaders may refuse to accept participants who in their opinion are inadequately equipped or unfit.
