## GRADING OF WALKS

Most of the Derbyshire Dales walks fall into one of the following four grades:

### **XL** – Extra Leisurely

Walks over uneven ground requiring sturdy footwear. Distances will generally not exceed 4 miles or 7 kms and will be taken at a gentle pace.

### **L** – Leisurely

Signifies a leisurely pace, the terrain covered will not be too demanding. Light-weight boots or sturdy shoes will generally be adequate.

### **M** – Moderate

This covers walks at a somewhat faster pace and often over more demanding ground. Boots will be required.

### **S** – Strenuous

Walks are more strenuous and if you have any doubts whether they are suitable please consult the walk leader beforehand.

Boots will be required

Dress to suit the weather – it is better to be overdressed and be able to remove clothing rather than to lack warm clothing

Gradings are given mainly for the benefit of those new to the group or finding details on the internet.

For most members the best advice is – Know your leaders.
